Testimonials:

“I loved the mix of learning in the Leadership Development Program. It included reading on your own, discussing topics in a group setting, and doing assessments via computer for a full range of learning about becoming a stronger leader. I truly enjoyed Ginny’s passion, energy, and leadership style. She kept the group on task and each member engaged in the conversation. I would recommend this program to anyone interested in broadening their leadership skills in a very safe and rewarding setting.”
